

SSA 20 Western Avenue  
Commission Meeting  
March 13, 2019

The meeting was held at Beverly Bank & Trust and was called to order at 9:02. In attendance were Margie O'Connell, Beverly Lynch, Bryan Farrell, Jimo Kasali and Caroline Connors.

The group discussed the 2020 budget and determined that the levy should remain the same for the following year.

A discussion followed of the services that were provided thus far in 2019; all commissioners said they believed that contractors hired for snow removal/sidewalk maintenance were performing their duties as expected and that there were no unusual expenses or issues to cause concern.

Caroline asked if there were any questions or suggestions for the 2020 budget, and a brief discussion followed of infrastructure improvements that are needed on Western Avenue.

Caroline said she would solicit proposals from two new sidewalk maintenance contractors for 2020 in an effort to address improvements that are needed but will not be funded by the city of Chicago.

The meeting was adjourned at 9:41 a.m. in a motion made by Bryan Farrell and seconded by Margie O'Connell. The next meeting was scheduled for Wednesday, June 5, at 9 a.m.
