

SSA 44 103rd Street/Beverly
Commission Meeting Minutes
February 7, 2023

Submitted by Caroline Connors
Morgan Park Beverly Hills Business Association

The meeting was held at Calabria Imports, 1915 W. 103rd St., and called to order at 11:01 a.m. In attendance were Commission Chair Margie O'Connell, Commissioner Pat Roberto, and Morgan Park Beverly Hills Business Association Executive Director Caroline Connors.

The minutes from the previous meeting were available for review and approved in a motion made by Margie O'Connell and seconded by Pat Roberto.

The group discussed the process of reconstituting SSA 44 to create one Special Service Area for the 99th and 103rd streets shopping corridors beginning in January 2024. Caroline said that she expected basic services for SSA 44 in 2024 would remain the same but that the budget would increase due to the addition of services for the area at 99th Street and Walden Parkway.

A discussion followed regarding the late tax collection in 2022 and the effect it had on the SSA, including a lack of funds for holiday decorations.

The meeting was adjourned at 11:33 a.m. in a motion made by Margie O'Connell and seconded by Pat Roberto.
