

SSA 64 Walden Parkway  
Stakeholder Meeting Minutes  
March 27, 2018

The meeting was called to order by Caroline Connors at 4:05 p.m. In attendance were Maura Conine, Katie Schickel, Lloyd Rice, Matt O'Shea, George Herzog, Karen O'Malley, Kelley Ciraulo and Josh Barron.

Caroline explained to the group what an SSA is and gave an overview of SSA 64, its 2018 budget and the services allocated for the year. The services provided in 2017 were discussed and stakeholders were given the opportunity to evaluate the services provided in 2017. Caroline then asked the group if they wanted to continue the SSA or suspend it for one year beginning in 2019.

Attendees said that they wanted to keep the SSA intact to continue receiving the services that were provided in 2017: snow removal, weed removal and litter removal.

The attendees said they do not want the tax levy for SSA 64 increased for 2019.

Potential contractors for the maintenance work were discussed.

The meeting was adjourned at 4:56 p.m.
